

REMARKS

Applicants hereby elect Species I (Figs. 1-5). Claims 105 and 115 and amended claims 19 and 80 are readable on the elected species.

Applicants have amended claims 19 and 80 to remove the limitation of "wherein the plurality of D/A converter circuits are ramp type D/A converter circuits." As a result, at least claims 19-27, 80-87, 105-123 should be considered, since claims 19, 80, 105 and 115 are elected herein as readably on Species I.

Consideration and allowance of the instant application are now respectfully requested.

Respectfully submitted,

Jeffrey L. Costellia
